

West High Yield Announces Private Placement

CALGARY, Alberta, May 10, 2019 -- West High Yield (W.H.Y.) Resources Ltd. (the "**Company**") (TSXV: WHY) announces that, subject to regulatory approval, it has retained Questrade, Inc. ("Questrade") to provide market making services to the Company in compliance with the policies and guidelines of the TSX Venture Exchange and other applicable securities legislation.

Questrade will trade shares of the Company on the TSXV with the guarantee to limit the difference between bid price and offer price of the Company's shares to \$0.015, with the goal of maintaining a reasonable market and improving the liquidity of the Company's common shares. Under the terms of the agreement, Questrade will receive \$3,000 per month payable monthly. The agreement will continue in effect unless terminated by either party. Questrade will not receive any shares or options as compensation for the services. Questrade and the Company are unrelated and unaffiliated entities. Questrade (www.questrade.com) is a Canadian leader and innovator in financial services industry.

About West High Yield

West High Yield is a publicly traded junior mining exploration company focused on the acquisition, exploration and development of mineral resource properties in Canada with a primary objective to locate and develop economic gold, nickel and magnesium properties.

Reader Advisory

This press release contains forward-looking statements and forward-looking information within the meaning of applicable securities laws. The use of any of the words "expect", "anticipate", "continue", "estimate", "objective", "ongoing", "may", "will", "project", "should", "believe", "plans", "intends" and similar expressions are intended to identify forward-looking information or statements. More particularly and without limitation, this press release contains forward looking statements and information concerning the terms of the proposed non-brokered private placement of Units, the proposed use of proceeds and the Company's business plans. The forward-looking statements and information are based on certain key expectations and assumptions made by the Company. Although the Company believes that the expectations and assumptions on which such forward-looking statements and information are based are reasonable, undue reliance should not be placed on the forward looking statements and information because the Company can give no assurance that they will prove to be correct.

Forward-looking information is based on the opinions and estimates of management at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking information. Some of the risks and other factors that could cause the results to differ materially from those expressed in the forward-looking information include, but are not limited to: general economic conditions in Canada and globally; industry conditions, including governmental regulation; failure to obtain industry partner and other third party consents and approvals, if and when required; the availability of capital on acceptable terms; the need to obtain required approvals from regulatory authorities; stock market volatility; competition for, among other things, skilled personnel and supplies; changes in tax laws; and the other factors. Readers are cautioned that this list of risk factors should not be construed as exhaustive.

Readers are cautioned not to place undue reliance on this forward-looking information, which is given as of the date hereof, and to not use such forward-looking information for anything other than its intended purpose. The Company undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, except as required by applicable law.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this press release.

Not for distribution in the United States. This news release does not constitute an offer to sell or a solicitation of an offer to buy any securities in the United States. The securities of the Company will not be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act") and may not be offered or sold within the United States or to, or for the account or benefit of U.S. persons except in certain transactions exempt from the registration requirements of the
